

REMARKS

The Office Action dated June 7, 2006 has been received and carefully reviewed. The preceding amendments and the following remarks form a full and complete response thereto. Claim 1 has been amended as to matters of form only. No new matter has been added. Accordingly, claims 1-5 are pending in this application and are submitted for consideration.

Claims 1-5 were found to contain allowable subject matter.

Objections were made to the Abstract and Specification because of minor informalities. The Abstract has been replaced and the specification amended to correct the informalities. Accordingly, the Applicant requests that the objections be withdrawn.

Claim 1 was rejected under 35 U.S.C. § 112, second paragraph, as being allegedly indefinite. It was asserted in the Office Action that line 15 is confusing. The Applicant respectfully traverses the rejection.

Claim 1 was amended herein to correct any confusing language. The Applicant submits that claim 1 complies with the requirements of 35 U.S.C. § 112, and requests that the rejection be withdrawn and that claims 1-5 be allowed.

In view of the above, all objections and rejections have been sufficiently addressed. The Applicant submits that the application is now in condition for allowance and requests that claims 1-5 be allowed and this application passed to issue.

In the event that this paper is not timely filed, the Applicant respectfully petitions for an appropriate extension of time. Any fees for such an extension together with any additional fees may be charged to Counsel's Deposit Account No. 02-2135.

If for any reason the Examiner determines that the application is not now in condition for allowance, it is respectfully requested that the Examiner contact, by telephone, the Applicant's' undersigned attorney at the indicated telephone number to arrange for an interview to expedite the disposition of this application.

Respectfully submitted,
